

“Staff make all the difference at GWCC. To a person, they are professional, helpful, customer-focused, and supportive of the mission and vision of the event.”

### OUR IN-HOUSE SERVICES.

Since we first opened our doors in 1985, Grand Wayne Convention Center has proven its own brand of extraordinary service. It’s the reason we can boast that nearly 80% of our events are based on repeat business — groups that insist on coming back year after year. If you have a request, we get it done. No excuses. Virtually every service you need is available in-house: complete event management with CAD schematics; audio, video, lighting, production, and telecom services; complete food and beverage services; and event coordinators that help everything run smoothly.
